2. Single Crochet (sc)

Single crochet into the second chain from the hook and each chain across. Chain 1 and turn.

3. Repeat Row 2

Repeat row 2, single crocheting into each stitch across. Chain 1 and turn.

4. Decrease Row

In this row, you will begin decreasing stitches. To do this, single crochet 2 together (sc2tog) into the first 2 stitches. Then, single crochet into each stitch across. Chain 1 and turn.

5. Continue Decreasing

Repeat row 4, decreasing the number of stitches in each row until you have only a few stitches left.

6. Form the Toe

Join the last 2 stitches with a slip stitch. Single crochet around the toe area, creating a rounded shape. Fasten off and weave in any loose ends.

7. Make the Strap

Chain 20 (or the desired length). Single crochet into the second chain from the hook and each chain across. Chain 1 and turn.

8. Attach the Strap

Position the strap across the top of the sole, aligning the ends with the outer edges. Single crochet the strap to the sole, creating a secure attachment.

9. Add Finishing Touches

Add embellishments such as buttons, ribbons, or flowers to the sandals for an extra touch of charm.
