Is he playing games with you? It can be tough to tell, but there are some obvious signs that he's not serious about you.

Here are 15 things to look for:

1. **He's hot and cold.** One day he's all over you, the next day he's distant and cold. This is a classic sign of someone who's not sure what they want.
2. **He's inconsistent.** His behavior is all over the place. He might say one thing and do another, or he might change his mind on a whim. This is a sign that he's not thinking clearly about what he wants.

3. **He's avoidant.** He avoids talking about the future, or he makes excuses for why he can't spend time with you. This is a sign that he's not ready for a serious relationship.
4. **He's emotionally unavailable.** He's not able to connect with you on an emotional level. He might be guarded or closed off, or he might simply not be interested in what you have to say.
5. **He's breadcrumbing you.** He gives you just enough attention to keep you interested, but he never commits to anything. This is a sign that he's not serious about you and he's just stringing you along.
6. **He's love bombing you.** He showers you with attention and affection, but it's all too much too soon. This is a sign that he's trying to manipulate you into falling for him quickly, so he can take advantage of you.
7. **He's not interested in your life.** He doesn't ask you about your day, or he doesn't seem interested in what you have to say. This is a sign that he's not invested in you.
8. **He's always putting you down.** He makes fun of you, or he criticizes you. This is a sign that he doesn't respect you and he's not interested in building a healthy relationship with you.
9. **He's not reliable.** He doesn't keep his promises, or he's always late. This is a sign that he's not responsible and he's not interested in being there for you.
10. **He's not supportive.** He's not there for you when you need him, or he doesn't believe in you. This is a sign that he's not invested in your well-being.

11. **He's jealous and possessive.** He gets jealous when you talk to other people, or he tries to control you. This is a sign that he's insecure and he's not confident in your relationship.
12. **He's manipulative.** He tries to guilt you into doing what he wants, or he uses other tactics to get his way. This is a sign that he's not interested in your needs and he's only interested in getting what he wants.
13. **He's a liar.** He lies to you about big things and small things. This is a sign that he's not trustworthy and he's not interested in building a honest relationship with you.
14. **He's not willing to compromise.** He always wants to get his way, and he's not willing to work with you to find a compromise. This is a sign that he's not interested in building a healthy relationship with you.
15. **He doesn't want to meet your friends and family.** This is a sign that he's not serious about you and he doesn't want to make a commitment to you.

If you're seeing any of these signs, it's important to take a step back and reassess the relationship.

You deserve to be with someone who is serious about you and who wants to build a healthy, loving relationship with you.

Don't waste your time on someone who is just playing games.
