At the heart of "Only Watching You" is Anna, a successful and driven marketing executive who becomes the target of a sinister stalker. As she tries to navigate her life amidst constant fear and paranoia, Anna soon

realizes that her stalker is not just an ordinary criminal - he's a dangerous and cunning predator who knows her every move.

With each passing day, Anna's world spirals into a nightmare as the stalker's threats become more explicit and the line between reality and delusion blurs. She begins to question everything she knows, including her own sanity, as she desperately tries to uncover the identity of her tormentor before it's too late.

As Anna's desperation mounts, she finds herself isolated and alone, with no one to turn to. The police are dismissive, her friends and family grow skeptical, and the stalker continues to stalk her every move, getting closer and closer with each passing day.

With its intricate plot, complex characters, and relentless pacing, "Only Watching You" will keep you guessing until the very last page. Author [Author's Name] masterfully weaves a web of psychological suspense that will haunt your mind long after you've finished reading.
