

# The Athlete Advantage: Success Beyond Game Day

The Athlete Advantage is a program that helps athletes succeed beyond game day. It provides them with the tools and resources they need to develop their leadership, communication, and problem-solving skills.

The program was founded by former NFL player and coach Bill Polian. Polian recognized that athletes have a unique set of skills that can be applied to success in any field. He created The Athlete Advantage to help athletes develop these skills and make a smooth transition to life after sports.

The Athlete Advantage program is based on four core principles:

1. Leadership: Athletes learn how to lead by example, motivate others, and build consensus.

2. Communication: Athletes learn how to communicate effectively with a variety of audiences, including coaches, teammates, and the media.
3. Problem-solving: Athletes learn how to identify and solve problems quickly and efficiently.
4. Character: Athletes learn the importance of integrity, sportsmanship, and teamwork.

The Athlete Advantage program offers a variety of services to its members, including:

- Mentoring: Athletes are paired with mentors who can provide guidance and support.
- Networking: Athletes have the opportunity to network with other athletes, business leaders, and community members.
- Training: Athletes participate in training sessions that cover a variety of topics, including leadership, communication, and problem-solving.
- Internships: Athletes can gain experience in a variety of fields through internships with partner organizations.

The Athlete Advantage program has helped hundreds of athletes succeed beyond game day. Graduates of the program have gone on to careers in business, law, education, and government. They are using their skills to make a positive impact in their communities and the world.

## **Benefits of The Athlete Advantage**

There are many benefits to participating in The Athlete Advantage program, including:
