The Saturday Night Sauvignon Sisterhood is a global community of women who come together to enjoy wine, share laughter, and support each other. Founded in 2016 by Emily Wines in Brisbane, Australia, the Sisterhood has since grown to include chapters in over 50 countries around the world.

The Sisterhood's mission is to create a space where women can connect, relax, and have fun. Through regular meet-ups, online forums, and social media, the Sisterhood provides a platform for women to share their experiences, offer support, and make new friends.

One of the key elements of the Sisterhood is the shared love of wine. While Sauvignon Blanc is the official wine of the Sisterhood, members are

welcome to enjoy any type of wine they like. The Sisterhood's meet-ups are often held at wineries, wine bars, or restaurants, and members often bring their own bottles to share.

In addition to wine, the Sisterhood also places a strong emphasis on laughter. The Sisterhood's meet-ups are always filled with laughter and good cheer, and members are encouraged to share their favorite jokes, stories, and experiences.

The Sisterhood has had a positive impact on the lives of many women. Members have reported feeling more connected, supported, and empowered as a result of their involvement in the Sisterhood. The Sisterhood has also helped to break down barriers between women and has created a space where women can feel comfortable being themselves.

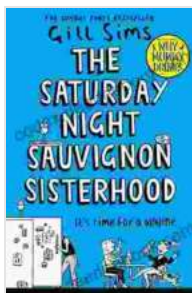

If you are interested in starting your own Saturday Night Sauvignon Sisterhood chapter, here are a few tips:

- Find a group of women who share your interests and values.
- Choose a meeting time and place that works for everyone.
- Set some ground rules for the group, such as respecting each other's opinions and keeping the meet-ups fun.
- Promote your group on social media and through other local channels.
- Have fun!

The Saturday Night Sauvignon Sisterhood is a wonderful way to connect with other women, enjoy wine, and have a good laugh. If you are looking

for a community of women who will support you, make you laugh, and make you feel like you belong, then the Sisterhood is for you.

Cheers!
